38. "This is the finger of God (Exod. 8:19a). There is no controversy at all. I can see that this is one of the divine programmes of God for Nigeria as the gospel triggers from Nigeria into Africa, and from Africa into the whole world.

In 1998/99, during the Sixth World evangelical tour of Dr. Morris Cerullo (1999-live) of Africa, in Nigeria, TREM auditorium, Lagos, one of his team Pastors raised up the Holy Bible and declared "Nigeria, this is the gospel. Over to you. You are coming to preach to us in US!

Again, in 2004, on the same Nigeria soil, during Evang. Reinhard Bonnke's crusade in Warri, Delta State, he too raised up the Holy Bible at the Word of Life Bible Church, International Gospel Centre auditorium, Ajamimogha, (during the Fire Conference) and declared: "Nigeria, this is the gospel. Over to you. You are coming to preach to us in Germany".

I am very convinced and much persuaded in my spirit that this is the finger of God again at this end time. Bravo! Preacherman.

“They that inspire others to aspire will never expire” Preacherman, the Lord be with you up (Exod. 3:7) and back you (Jer. 1:8-10) up for life in Jesus Name”.

61. "This effort is a light that has sprung up with a cutting edge, venturing into all human facets with a precise message of total revolution. A rare answer even to the most conservative of our time."

The magazines are circulating well with some encouraging responses pouring in. You may not comprehend fully the enormous good you are doing to humanity in the short run, but in the long run, it will be obvious. I was so intently and personally ministered to when I read through the lines of "**My Pleasure Is In This Pain**" only then I realized I had to keep some copies of this legacy which, all previously, I had distributed unaware.

74. “We have the pleasure of our Lord and Saviour Jesus Christ to write into you, for sometimes in October this year, He had impressed in our hearts to extend words of encouragement unto you on the grace bestowed upon you to foster unity and admonish Ministers of His gospel. The

reasons are quite obvious, firstly, for us His servants to prepare good ground that is expected to bring forth a great harvest more labourers need to be raised; secondly, for those already working in His vineyard to abound, they need an encouragement. So, it becomes very important for sources like your **Ministers Alive** which He is using to really live up to His expectation by discharging their responsibilities with a higher sense of humility and meekness. Verily, verily, as the time is soon coming, your **Ministers Alive** which has gone from a magazine to a tract will soon bounce back to what it used to be and moreover it will be like manna to Jordan of people thirsty of The Saving Word of Christ. The picture of what The Lord is communicating is quite identical to the scripture in the book of first Kings 18:30-39, after a wilderness of indecision that leads to great famine, God asked the prophet to put the altar in order, consequently, two major things took place, first the Fire; secondly, a heavy Rain. There are dual events expected to take place in Nigeria soon to pave way for people to respect Jesus and those who declare His message.

Again we emphasize, prepare the altar for fire is coming down on it”.

Jerusalem Moses, Freedom Auditorium Church, Kaduna, Nigeria. 2010.

75. “Preacherman is the motivator of the quiet ministers who are on the cross-roads of confusion. I pray that this candlestick, which gives light to the latter day ministers, remains unquenchable (Isa 54:17)”.

Sir, you are God-sent”.

77. “Dear Preacherman,

The story of Ted is an eye-opener. A general has fallen and we will not allow the devil steal a show in this matter. I am fully behind you sir, and I’ll keep watch with you until positive news is heard from our brother.

We will not sit down anymore and watch our fellow ministers fall, trampled upon and die in this battle”.

Pastor Nsa Emmanuel, Upper Room Christian Ministries, Minna, Nigeria. January, 2007

78. “You took a step that one in a million of men God would dare take. Your sincerity and genuineness has upheld me, and it has also made me know that wrapping up the truth in disguise of being a saint cannot minister life to souls like being sincere, truthful and open”

Aweda J. K. Ilorin, Nigeria. June 2005

90. "Dear Brother in the Service, greetings. I love your frankness and forwardness on issues. Material blessings and popularity are not measures for success in ministry.
